Spin

Late Night Alumni

Who are you fooling?
It's not Russian roulette
I'm not gonna sit this one outIt's suicide you decide
Be it left be it right maybe wrong?
While you let it out of your sight first
It's left then it's right till it's goneIf you're a point on a line
The rolling figure is mine
And I'm still gonna roll 'round and 'roundHow about a small wager?
I know you need another player
I want you to know how it feels
I'm all for spinning that wheelBut who are you fooling?
It's not Russian roulette
Save the last one for meIt's suicide, you decide
Be it left be it right maybe wrong?
While you let it outta your sight first
It's left then it's right till it's goneThe clock may never unwind
The day and night combined
I'm not gonna fall asleep this timeI've been brave
Tell me again to behave
You alter the laws of chance
With a touch of your handHow about a small wager?
I know you need another player
I want you to know how it feels
I'm all for spinning that wheelBut who are you fooling?
It's not Russian roulette
I'm not gonna sit this one out
