

# Tumbling Tumbleweeds

Eddy Arnold

See them tumbling down pledgin' their love to the ground  
Lonely but free I'll be found  
Driftin' along with a tumbling tumbleweed  
Cares of the past are behind nowhere to go but I'll find  
Just where the trail will wind

Driftin' along with a tumbling tumbleweedI know when night has gone that a new world's born at dawn  
I'll keep rollin' along deep in my heart is a song

Here on the range I belong  
Driftin' along with a tumbling tumbleweedI'm a roaming cowboy ridin' all day long  
Tumbleweeds around me sing their lonely song  
Nights underneath the prairie moon  
I'll ride along and sing a tuneI'll keep rollin' along ...  
Driftin' along with a tumbling tumbleweed
