## Bauhaus

Ancient earth work fort and barrow  
Discreetly hide their secret abodes  
The most fearful hide deep inside  
And venture not there upon Yuletide For invasion of their hollow hills  
The music hold and Oberon fill  
Is surely recommended not  
For fear of death in fear of rot Hollow hills  
Hollow hills  
Hollow hills  
Hollow hills Baleful sound and wild voices ignored  
In luck disaster the one reward  
Violated sanctity of supermen's hills  
So sad Hollow hills, love lies there still  
Hollow hills, so sad  
Hollow hills, so sad  
Hollow hills, hollow hills, hollow hills Witches too and goblin's too, too  
And speckled sills  
Lament, repent  
Oh mortal you So sad  
Hollow hills  
So sad  
So sad  
So sad  
...
