

Like That

Victoria Beckham

Close your eyes, baby count to three, and tell me now
Did you think of him, like it used to be, it ain't no surprise
'Cause he's out of love, and he's out of luck, getting lazy now
With that attitude, I've had enough, and it won't be the first time
Remember the lies you denied 'cause you said so
Yeah what got into you?
Remember the love you discovered that he'd shown
What's he trying to prove?
Remember the pay every day that he let go
Look what he's done to you
And he still he wanted you to run
Around him girl
No, it shouldn't be like that, not fooling me
Damn his lovin', damn his lies, they're buggin' me
No, it shouldn't be like that, he's trying to be
Trippin' out like all the guys, why can't you see?
It's 3 a.m., and he still ain't home
Out with his friends
Guess you could have thought, guess you should have known
That he ain't coming back
Girl he's out of line, and he's out of time
'Cause I'm telling you
Gotta take him on, and show your mind
And it won't be the last time
Remember the lies you denied 'cause you said so
Yeah what got into you?
Remember the love you discovered that he'd shown
What's he trying to prove?
Remember the pay every day that he let go
Look what he's done to you
And he still he wanted you to run
Around him girl
No, it shouldn't be like that, not fooling me
Damn his lovin', damn his lies, they're buggin' me
No, it shouldn't be like that, he's trying to be
Trippin' out like all the guys, why can't you see?
So put away your money, she don't wanna know
It's too late to say your sorry, she don't wanna know
'Cause she's leaving don't you worry, boy let it go

Had your chance, make no advance to take it, and I told you so
Remember the lies you denied 'cause you said so
Yeah what got into you?
Remember the love you discovered that he'd shown
What's he trying to prove?
Remember the pay every day that he let go
Look what he's done to you
And he still he wanted you to run
Around him girl
No, it shouldn't be like that, not fooling me
Damn his lovin', damn his lies, they're buggin' me
No, it shouldn't be like that, he's trying to be
Trippin' out like all the guys, why can't you see?
Girl, I'm saying, that his love and his lies, keep you waiting
Now he's paying, 'cause you're no longer his for the taking
Girl, I'm saying, that his love and his lies, keep you waiting
Now he's paying, 'cause you're no longer his for the taking
Girl, I'm saying, that his love and his lies, keep you waiting
Now he's paying
