YouAreMySunshine

Flatbush Zombies

No lie, I stopped getting high once we lost Yams
I was there the night he died, he was blue cold in my hands
Ain't been the same since that day, god damn
You was a prophet, huh, you was a king, you was a visionary
You formed more than the mob who made you more military
You always supported
Missed your funeral, I wasn't man enough to see you in a coffin
But I give you this offering and hope that you forgive me
Cause truthfully in my eyes, you was king of this city
I know you're smiling down, sharing Backwoods with Biggie
Fuck, hold on - I'm bout to cry
(You are my sunshine)
No lie, I stopped getting high once we lost Yams
I was there the night he died, he was blue cold in my hands
Ain't been the same since that day, god damn
You was a prophet, you was a king, you was a visionary
You formed more than the mob you made you a military
You always supported
Missed your funeral, I wasn't man enough to see you in a coffin
But to you I give this offering and hope that you forgive me
Cause truthfully in my eyes you was king of this city
I know you're smiling down, sharing a Backwood with Biggie
Rocking Aaliyah bowl and taking a tab with Jimi
Pimping with Sweet Jones, gold grilling with ODB
In the studio trying to fight tears and shit
I just wish my nigga Yams was here to hear this shit
He in the clouds, angels braiding his hair and shit
Just looking down like "God, you hear this shit?"
I hope we make you proud cause we next up at the mound
And I'ma Always $trive And Prosper until the world is ours
I hope we make you proud cause I'm next up at the, uh...
You are my sunshine, you are my sunshine
You are my sunshine, you are my sunshine
You are my sunshine, you are my sunshine
(Do do do do do do)
You are my sunshine, you are my sunshine
You are my sunshine, you are my sunshine
(Do do do do do do)
You are my sunshine, you are my sunshine

Own the day, own the day, own the day
