

# You Don't Have To Worry

## New Edition

You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
No more doubts  
Baby, you can rest your mind  
I will keep you satisfied  
I will make you feel  
The way you never felt before  
No more fears  
I will keep your mind at ease  
I will love you tenderly  
I will be there if you need me, so  
You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
Take my hand  
Baby, I will lead the way  
I can show you brighter days  
Love you in so many ways  
No more loneliness  
I will be there next to you  
Holding you and kissing you  
I'll be all you want me to, yeah, so  
You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
You don't have to worry  
You're gonna have a good time  
I came to get down for mine  
Girl, you're all I ever wanted  
There's no stronger love than mine for you  
There's no way that I could ever  
I could ever let you down

So don't worry, baby, I'll keep it true

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine

You don't have to worry

You're gonna have a good time

I came to get down for mine
