Jealous Girl

Johnny Kidd & The Pirates

Hey, jealous girl
Why do you want to cry?
Why do you sit and sigh all day?

Hey, jealous girl
You know that I love you
So don't be sad and blue this way

There's nothing wrong with you
A little loving can't put right
Then all I ask of you
Is give your love to me tonight

Hey, jealous girl
Our love is plain to see
So won't you come on, smile for me

Hey, jealous girl
You know that I love you
So don't be sad and blue
I love you, jealous girl
I love you

There's nothing wrong with you
A little loving can't put right
Then all I ask of you
Is give your love to me tonight

Hey, jealous girl
You know that I love you
So don't be sad and blue
I love you, jealous girl
I love you
