Still

SWV

Boy, it's so crazy now
how I feel about you
I can't imagine how
life would be without youno words can explain
the love I have for you
and that's the truthI knew back then
you could be the one
like my best friend boy
we had so much funand I'm so glad
that you're my guy
and we gave love a try
it's real I hope you know
I'm stillI'm still into you (I'm still)
still into youcause you can make
my dreams come trueI don't know what you do
cause baby I'm still into you(and i) and I want you to know
the deal I'm still I'm still I'm stillI lose all control whenever we're alone
in my heart I count the secondsuntil you get home
I can't explain how I feelbut without a question you still
sending chills down my spine
like the first time
I knew back then
you could be the onelike my best friend boy we had so much funnow I'm so glad that you're my guy
