Lifted

Lighthouse Family

I'd really love to be alone without all the

Ache and pain and the April showers

But it ain't long before I long for you, like a

Ray of hope, coming through the blue moonWhen it all gets dark again

The whole thing falls apart I guess

It doesn't really matter 'bout the rain

'Cause we'll get through it anyway

We'll get up and start again'Cause we could be lifted, lifted, lifted

We could be lifted

From the shadows, lifted

Oh, we could be, lifted up today

Lifted all the way, you and I forever

Baby, lifted, lifted, heyIt's undisturbable the peace we found

In a bright new space up above the clouds

Everything is understandable

You don't have to say anything too loudWhen all our luck runs out again

We're brought back down to solid ground

I wouldn't say I'm mad about the rain

But we'll get through it anyway

We'll get back to the start again'Cause we could be lifted, lifted, lifted

We could be lifted

From the shadows, lifted

Oh, we could be, lifted up today

Lifted all the way, you and I forever

Baby, lifted, we could be lifted, we could be lifted, heyWe could be lifted, we could be lifted

We could be lifted, you and I forever

We could be lifted, we could be lifted

Yeah we could be lifted

We could be lifted up to new horizonsLifted, lifted up today, lifted all the way

Yeah, we could be lifted, we could be lifted

From the shadows, we could be lifted

Lifted upto new horizonsWhen it all gets dark again

It doesn't really matter 'bout the rain

When it all gets dark again

It doesn't really matter 'bout the rain
