

Hotel California (Live In Japan) [Remastered 00]

Wilson Phillips

On a dark desert highway,
cool wind in my hair
Warm smell of colitas,
rising up through the air
Up ahead in the distance,
I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night There she stood in the doorway;
I heard the mission bell
And I was thinking to myself,
'This could be Heaven and this could be Hell'
Then she lit up a candle
and she showed me the way
There were voices down that corridor,
I thought I heard them say... Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
There's plenty of room at the Hotel California
Any time of year (Any time of year)
you can find us here Her mind is Tiffany-twisted,
she got the Mercedes bends
She got a lot of pretty, pretty boys,
that she calls friends
How they dance in the courtyard,
sweet summer sweat.
Some dance to remember,
some dance to forget So I called up the Captain,
'Please bring me my wine'
He said, 'We haven't had that spirit here since nineteen sixty nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say...
Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
What a nice surprise (What a nice surprise)
bring your alibis Mirrors on the ceiling,
The pink champagne on ice

And she said
'We are all just prisoners here of our own device'
And in the master's chambers,
They gathered for the feast
The stab it with their steely knives,
But they just can't kill the beast
Last thing I remember,
I was Running for the door
I had to find the passage back
To the place I was before
'Relax,' said the night man,
We are programmed to receive.
And you can checkout any time you like,
but you can never leave!
So welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
We're living it up at the Hotel California
Any time of year (Any time of year)
you can find us here
