

# XOXO

## Xoxo

all you need is a little bit of lovin kissin and huggin  
wait before you leave! give me that xoxo  
we can get a little bit closer you know that i want ya  
girl before you leave! i need that xoxo yeah xoxo  
from the first day i seen her  
i knew had to meet her  
show her how a mans supposed to treat her  
make her believe take her all around the world  
(its on m, get whatever you like)  
i`m all yours baby, no if ands` or mabyes`  
i wanna make you go crazy  
let me show you off tonight  
we can keep it all so personal  
on tereal aint nobodygotta know  
so before you go that XO

all you need is a little bit of lovin kissin and huggin wait before you leave! give me that xoxo we can get a little  
bit closer you know that i want ya girl before you leave! i need that xoxo yeah xoxo  
now there`s nothin for me to spoil ya  
i`ll do anything or ya

just as long as you`re my girl  
you can have the whole orld and all the finer things  
your life will never be the same  
i`m trying to give you all the attention you`ve been missin  
ive been what your looking for (for sure)  
let me take you out tonight  
you know that i can do you right oh

we can keep it all so personal on tereal aint nobodygotta know so before you go that XO  
all you need is a little bit of lovin kissin and huggin wait before you leave! give me that xoxo we can get a little  
bit closer you know that i want ya girl before you leave! i need that xoxo yeah xoxo  
X is for the love and the O is for tht right away (xoxo)  
so if you got the special one by your side let me hear you say  
(xoxo)  
you can leave it in a message or in a text so i can get it girl (xoxo)  
so when you think of me you already know XO

all you need is a little bit of lovin kissin and huggin wait before you leave! give me that xoxo we can get a little  
bit closer you know that i want ya girl before you leave! i need that xoxo yeah xoxo
