Do It Again

Surf City Allstars

It's automatic when I talk with old friends
The conversation turns to girls
We knew when their hair was soft and long
And the beach was the place to go
Suntanned bodies and waves of sunshine
The California girls and a beautiful coastline
Warmed up weather let's get together
And do it again
With a girl the lonely sea looks good
Makes your nighttimes warm and out of sight
Been so long
Hey now
Hey now
Hey now
Well I've been thinking
'Bout all the places we've surfed and danced
And all the faces we've missed
So let's get back together and do it again
