

# Bottom of the Glass

## Whiskeytown

You think that you have found a way to ease your troubled mind  
You fill a glass then drink it down a  
But for a while you're in another world and you wake up in the past  
You'll never find the answer in the bottom  
of the glass You'll never find the answer in the bottom o  
That bottle there is not your friend when it's gone it  
leaves you cold The strength it gives you sli  
But you'll never find the answer in the bottom of the glass You'll  
never find the answer in the bott
