

Vincent Of Jersey

Big Head Todd And The Monsters

Vincent of Jersey
He's wearin' a red and white T-shirt
He's lovin' the ladies upon his floor
A bottle of brandy, a hard box of Camels
He's waiting for love to come knockin' on his door
And he says somethin' like
Someday somebody's gonna love me
Someday it's me they're lookin' for
Somewhere I know somebody wants me
'Cause I'm Vincent of Jersey
