## Los Claxons

There's something peaceful in your eyes  
Did not take long to realize  
Found what I was looking for  
And a place to hide away when nights are cold  
I believe, I believe, I believe I found a place, yeah  
Somebody out there  
Believe, I believe, I believe I found a way, yeah  
Somebody calls my name  
No use in trying to analyze  
I'm so content with my surprise  
Found what I was looking for  
And a place to keep me warm when nights are cold  
I believe, I believe, I believe I found a place, yeah  
Somebody out there  
Believe, I believe, I believe I found a way, yeah  
Somebody calls my name  
I found what I was looking for  
And a place to hide away when nights are cold  
I believe, I believe, I believe I found a place, yeah  
Somebody out there  
Believe, I believe, I believe I found a way, yeah  
Somebody calls my name
