I Do

Profyle

I knew I just met you but I'm ready
I wanna love you forever
Come onI've been waiting for this moment so long
I can't believe that it's on
The sweat is beating up on my palm
As the choir sing a songI see the crowd waiting outside
For the bride to arrive
I ask my best man one thing
"Where the hell is the ring, oh?"Can you hear the sound of wedding bells?
Beating softly in my heart
It's my plan of love with gratitude
For the love you've given me, oohGirl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Now we're standing at the altar with the Rev.
With this ring I be wed
I can't believe that you will always be mine
All my life, for all timeEverybody say hello to Mrs. Profyle
Now we're dancing slow, busting everlasting romance
Music starts getting too loud we can lose this crowd
Find a way in some exotic placeCan you hear the sound of wedding bells?
Beating softly in my heart
It's my plan of love with gratitude
For the love you've given me, oohGirl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Dearly beloved, we gathered here
In this Holy Matrimony to join together
Profyle and a very special lady
So if you're ready to say 'I Do'
Let me hear you sing this song y'allGirl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you

I wanna love you forever
I'm ready to say 'I Do'Girl, I'm ready to say 'I Do' to you
I wanna love you forever
I'm ready to say 'I Do'
Girl, I'm ready to say 'I Do'
