

# One More Time (feat. Ghetts & Frisco)

Craig David

[Chorus]

One, two, three, four five

Doesn't matter how many time I try

Can't be without your love

So I'm not giving up, so I'm not giving up no, no

Five, four, three, two, one

Doesn't matter what's been said or done

Yeah I can make it right

Just let me love you one more time[Verse 1]

I got liquor in my system

Feeling kinda wavy, got me thinkin'

Of all the things we used to do

Back then when I was still with you

You were there for me from the start

When I didn't ever pain and steal with your heart

For me those feelings haven't changed

Need you back in my arms again[Pre-Chorus]

Southampton I was raised in the days

Remember when you used to pick me up from raves in the days

When I was selling mixtapes instead of getting grades

In my barbers getting a quick fade and a shave

What can I say?

Didn't think these days that I'd be missing

Now I'm sitting at this table waiting and reminiscing[Chorus]

One, two, three, four five

Doesn't matter how many time I try

Can't be without your love

So I'm not giving up, so I'm not giving up no, no

Five, four, three, two, one

Doesn't matter what's been said or done

Yeah I can make it right

Just let me love you one more timeOne more time, one more time, one more time

Just let me love you one more time

One more time, one more time, one more time

Just let me love you one more time[Verse 2]

I wanna hold you, but it's from a distance

I don't know what to do, needed some assistance

I roll up to your mum's house, I don't even business

Cause I do anything, cause maybe she can help me fix this

So many mandem on your case, really shoudn't allowed it  
I was nobody and you picked me out of the crowed  
It took me this long just for me to figure it out  
But the simple fact is I'm lost girl when you ain't around[Pre-Chorus]  
Southampton I was raised in the days  
Remember when you used to pick me up from raves in the days  
When I was selling mixtapes instead of getting grades  
In my barbers getting a quick fade and a shave  
What can I say?  
Didn't think these days that I'd be missing  
Now I'm sitting at this table waiting and reminiscing[Chorus]  
One, two, three, four five  
Doesn't matter how many time I try  
Can't be without your love  
So I'm not giving up, so I'm not giving up no, no  
Five, four, three, two, one  
Doesn't matter what's been said or done  
Yeah I can make it right  
Just let me love you one more timeOne more time, one more time, one more time  
Just let me love you one more time  
One more time, one more time, one more time  
Just let me love you one more time[Bridge]  
So tell me baby is there hope for you and me?  
Cause I just wanna have you back in my arms  
Kicking myself, it drives me crazy thinking 'bout you  
Counting all the nights and days you've been gone[Chorus]  
One, two, three, four five  
Doesn't matter how many time I try  
Can't be without your love  
So I'm not giving up, so I'm not giving up no, no  
Five, four, three, two, one  
Doesn't matter what's been said or done  
Yeah I can make it right  
Just let me love you one more time[Chorus]  
One, two, three, four five  
Doesn't matter how many time I try  
Can't be without your love  
So I'm not giving up, so I'm not giving up no, no  
Five, four, three, two, one  
Doesn't matter what's been said or done  
Yeah I can make it right  
Just let me love you one more timeOne more time, one more time, one more time  
Just let me love you one more time  
One more time, one more time, one more time  
Just let me love you one more time

One more time, one more time, one more time  
Just let me love you one more time  
One more time, one more time, one more time  
Just let me love you one more time
