

You Haven't Asked Me Yet

Tiffany Giardina

It's Friday I'm alone
just staring at the phone
I bet you lost my number
Sometimes you make me wonder
You might think that I'm ok
It feels like I'm invisible
You don't hear a word I say
Guess I'm not invincible
We can be anything anywhere that we wanna be (wanna be)
Holding Hands at the dance to our favorite bands
Can't You see it's meant to be
(whoa, whoa) But You haven't asked me yet
(whoa, whoa) But You haven't asked me yet
Every time I turn around
You try to stare me down
It's time I call your bluff
I've finally had enough of?
You might think that I'm ok
It feels like I'm invisible
You don't hear a word I say
Guess I'm not invincible
We can be anything anywhere that we wanna be (wanna be)
Holding Hands at the dance to our favorite bands
Can't You see it's meant to be
(whoa, whoa) But You haven't asked me yet
(whoa, whoa) But You haven't asked me yet
Don't you know that you're friends will laugh at
Anything and everything
What do you care don't you know that
They're wanna-be's, wanna-be's
We can be anything anywhere that we wanna be
But you haven't asked me yet
Holding Hands at the dance to our favorite bands
Can't you see
We can be anything anywhere that we wanna be (wanna be)
Holding Hands at the dance to our favorite bands
Can't You see it's meant to be
(whoa, whoa) But You haven't asked me yet

(whoa, whoa) But You haven't asked me yet
(whoa, whoa) But You haven't asked me yet
(whoa, whoa) But You haven't asked me yet
