

# A Moment Like This

## KIDZ BOP Kids

What if I told you it was all meant to be  
Would you believe me, would you agree?  
It's almost that feeling we met before  
So tell me that you don't think I'm crazy  
When I tell you love has come here and now A moment like this  
Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh, I can't believe it's happening to me  
Some people wait a lifetime for a moment like this Everything changes but beauty remains  
Something so tender, I can't explain  
Well, I may be dreaming but till I awake  
Can't we make this dream last forever  
And I'll cherish all the love we share A moment like this  
Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh, I can't believe it's happening to me  
Some people wait a lifetime for a moment like this Could this be the greatest love of all  
I wanna know that you will catch me when I fall  
So let me tell you this  
Some people wait a lifetime for a moment like this Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh, I can't believe it's happening to me  
Some people wait a lifetime for a moment like this Oh, moment like this, moment like  
Oh, I can't believe it's happening to me  
Some people wait a lifetime for a moment like this  
Oh, like this
