All of You

Vertical Horizon

So you say
I'm too quiet
Holding things
Up in my headI say so much
But you don't buy it
I don't want to wake up
Alone in my headOh say that you'll never go now
Don't go
Don't go[Chorus]
I need a lot of you
I want a lot of you
I need a lot of you
All of youI tend to think
I'm getting nowhere
I drag it out
Whenever I canSomeday
I'll get back there
And find the world
You dropped from your handOh but some things you'll never show now
I know
I know[Chorus]Watch you coming up
Out on top now
Watch you coming up[Chorus]
