

# News 4 U

## Fitz & The Tantrums

It's 6 A.M., spitting gray  
Don't know why I let you treat me this way  
I've been holding on to your middle finger  
But now I know I gotta pull the trigger I pick up the pieces one by one  
Put you back together  
And stuff you back in my gun I got news for you, it's goin' down  
Before you come home and tell me  
That you're not angry  
I'll be leavin' town I got news The bodies are bathing in my backyard  
There's games being played but I'm holding the cards  
The key doesn't work, the number's been changed  
I turn off the lights and I'm looking' for strange, ohh I got news for you, it's goin' down  
Before you come home and tell me  
That you're not angry  
I'll be leavin' town J'ai des nouvelles pour toi c'est la fin de notre histoire  
Tu m'a brisé le cœur pour la dernière fois, c'est vrai  
Et maintenant quand je me promène dans la nuit  
Je regarde la lune, les étoiles et les voitures qui passent  
Et je regarde tous sans toi I got news for you and it's goin' down  
Before you come home and tell me  
That you're not angry  
I'll be leavin' town I got news for you  
I got news for you
