

You're Gonna Make Me Lonesome When You Go

Bob Dylan

I've seen love go by my door
It's never been this close before
Never been so easy or so slow I've been shooting in the dark too long
When something's not right it's wrong
You're gonna make me lonesome when you go Dragon clouds so high above
I've only known careless love
It always hit me from below But this time around it's more correct
Right on target, so direct
You're gonna make me lonesome when you go Purple clover, queen Anne Lace
Crimson hair across your face
You could make me cry if you don't know Can't remember what I was thinkin' of
You might be spoilin' me too much, love
You're gonna make me lonesome when you go Flowers on the hillside, bloomin' crazy
Crickets talkin' back and forth in rhyme
Blue river runnin' slow and lazy
I could stay with you forever and never realize the time Situations have ended sad
Relationships have all been bad
Mine've been like Verlaine's and Rimbaud But there's no way I can compare
All them scenes to this affair
You're gonna make me lonesome when you go You're gonna make me wonder what I'm doin'
Stayin' far behind without you
You're gonna make me wonder what I'm sayin'
You're gonna make me give myself a good talkin' to I'll look for you in old Honolulu
San Francisco, Ashtabula
You're gonna have to leave me now, I know But I'll see you in the sky above
In the tall grass, in the ones I love
You're gonna make me lonesome when you go
