The Prostitutes

I like to escape sometimes
Into a little world which is all mine
I like to escape sometimes
Into a little world which is all mine

Just all mine

Thirsty for things and thirsty for you
And thirsty for something that I can not do

And all the crazy faces
Of the girls in all the places
Where they said to me can you find out how
Its all too slow

I like to escape sometimes
Into a little world which is all mine
Just all mine

I like to escape sometimes
Into a little world which is all mine
Just all mine

Face it up and face it down
Because no one else is here around
And you say that your always there baby
I know your never gonna care

You don't want to listen to it
Because your not into it
You just don't know
What living is going on

Go down
Go down
Go down
Go down
Go down
Go down

Go down

And all the crazy faces
Of the girls in all the places
Where they said to me can you find out how
Its all too slow
