Feelin Alright

Captain Zig

Seems I've got to have a change of scene
Every night I have the strangest dreams
Imprisoned by the way it could have been
Left here on my own or so it seemsI've got to leave before I start to scream
But someone locked the door and took the keyYou feelin' alright
I'm not feelin' too good myself
Yes sir, you feelin' alright
I'm not feelin' that good myselfWell boy, you sure took me for one big ride
And even now I sit and I wonder why
That when I think of you I start myself to cry
I just can't waste my time, I must keep dryGotta stop believing in all your lies
'Cause there's too much to do before I dieYou feelin' alright
I'm not feelin' too good myself
Oh no, you feelin' alright
I'm not feelin' too good little girlYou feelin' alright
Don't you get too lost in all I say
Yeah by the time, you know, I really felt that way, yeah
But that was then and now, you know it's today
I can't get off so I guess I'm here to stay'Til someone comes along and take my place
With a different name, oh and a different faceYou feelin' alright
I'm not feelin' that good myself
You feelin' alright
I'm not feelin' that good myselfYou feelin' alright
I'm not feelin' too good myself
You feelin' alright
Well I'm not feelin' good myselfYou feelin' alright
I'm not feelin' too good myself
You feelin' alright
I'm not feelin' too good myself
