

# My Strongest Weakness

Wynonna Judd

The keeper of the gates of wisdom please let me in  
'Cause I just can't go through another heartache again  
Pretty lies and alibis how could I be so blind  
Now all alone and scared to stand slowly going out of my mind  
He was my strongest weakness, I surrendered  
heart and soul  
It's gonna be a long, long time till I regain control  
I'm still a prisoner held captive by his memory  
He was my strongest weakness and I'm afraid he'll always be  
I gave my faithful heart to someone who couldn't  
understand  
How he held my little world in the palm of his hand  
Now he's gone and life goes on so if this pain will ever end  
Will I be afraid to risk it all to ever fall in love again  
He was my strongest weakness, I surrendered heart and soul  
It's gonna be a long, long time till I regain control  
I'm still a prisoner held captive by his memory  
He was my strongest weakness and I'm afraid he'll always be  
He was my strongest weakness and I'm afraid he'll always be
