Homewrecker

Sweet Soubrette

Hey Sisqo
It's me love
Call me
I wanna hold the dragon
I know you gotta girl now
It's cool
I just wanna see you, okay?
See the last time
Girl you had me caught up in some mess
Tellin' my girl that we were more than friends
Fuckin' around with you just had me stressed
So whenever I see you comin' I go left
You're the type of girl that thinks that no means yes
Been puttin' me and my girl stuff to the test
So I have to bring this drama to an end
Before someone gets hurt and tears get shed
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
You're just a homewrecker
You're tryna get me with you, ain't cha?
Think you got game, don't cha?
You tryna messup my thing, ain't cha?
Well no more
Stalkin' me like you crazy and obsessed
Ya need ta stop actin' like you ain't got sense
Tell me why you just can't take a hint
'Cause I'm with some else that's got me bent
I got a happy home with a picket fence
I just can't let it go over some sex
Why can't we put this in the past?
I wish I never hit dat ohh
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
You're just a homewrecker
You're tryna get me with you, ain't cha?

Think you got game, don't cha?
You tryna messup my thing, ain't cha?
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
You're just a homewrecker
You're tryna get me with you, ain't cha?

Think you got game, don't cha?
You tryna messup my thing, ain't cha?
Yeah yeah
Oh ohh
Oh yeah
Oh yeah
Yeah yeah yeah
Ohh yeah yeah
Ohh ohh
Ohh ohh
Get the hell out my home, yeah
Ohh baby
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
You're just a homewrecker
You're tryna get me with you, ain't cha?
Think you got game, don't cha?
You tryna messup my thing, ain't cha?
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
You're just a homewrecker
You're tryna get me with you, ain't cha?
Think you got game, don't cha?
You tryna messup my thing, ain't cha?
You're just a homewrecker
You're tryna break up my home, ain't cha?
Well I ain't gonna let cha
You're tryna mess up my thing, ain't cha?
Girl leave me the hell alone
I know you really wanna be with me
But I got a girl so you gotta let it be
Baby baby

Leave me the hell alone
I know you really wanna be with me
But I got a girl so you gotta let it be
Baby yeah
Yeah yeah yeah yeah
Said yeah yeah
Said yeah yeah
You're a homewrecker, a homewrecker
Baby, yeah
