

# Forget the World (FML)

## Faydee

4 3 2 1

The week has only started  
Yeah fuck my life  
My phones acting retarded  
Yeah yeah fuck my life  
And I just wanna party  
Yeah live my life  
Live my life, love my life

Tonight x 3

Oh forget the world tonight  
Iâ€™m gonna let it go  
And leave my cares behind

Iâ€™m gonna party like itâ€™s my 21st 21st  
Iâ€™m gonna put my hands up  
Till they hurt x 2

We gonna live it up like we just want the lights off  
Dj turn it up when youâ€™re about to lose control tonight

Oh forget the world tonight  
We gonna party till daylight, daylight  
Iâ€™m gonna let it go and leave my cares behind  
We gonna be rocking  
Till the daylight, daylight

Now throw your fist up x 2  
Yeah someone spilt the drink on me  
Yeah fuck my life  
My girlfriend wonâ€™t stop calling me  
Yeah fuck my life  
And I just wanna party  
Yeah live my life  
Live my life, love my life

Tonight x 3

Oh forget the world tonight  
Iâ€™m gonna let it go  
And leave my cares behind

Tonight x 3

Oh forget the world tonight  
Iâ€™m gonna let it go  
And leave my cares behind

Iâ€™m gonna party like itâ€™s my 21st 21st  
Iâ€™m gonna put my hands up  
Till they hurt x 2

We gonna live it up like we just want the lights off  
Dj turn it up when youâ€™re about to lose control tonight

Oh forget the world tonight  
We gonna party till daylight, daylight  
Iâ€™m gonna let it go and leave my cares behind  
We gonna be rocking  
Till the daylight, daylight

Now throw your fist up x 2

Iâ€™m gonna put my hands up till they hurt  
Iâ€™m gonna put my fucken hands up till they hurt  
X 2

Oh forget the world tonight  
Iâ€™m gonna let it go  
And leave my cares behind
