

# Icing Sugar

## The Cure

Your delicious  
Dreaming  
Slack jawed  
Green eyed  
Rub my nose in  
Icing sugarSmooth as  
When this cold and deadly  
Blade  
Kissed the fruit  
So soft and gently breathing  
Under your skinOh, I'll empty you  
I'll empty you  
As empty as a boy can be  
As empty  
As a boy can be  
[Incomprehensible]
