A Letter to Both Sides

The Fixx

Advisory - the following lyrics contain explicit language:

It's in my right more than my left
After you've taken from me
My freedom of speech or the light through my window
Just because you can't seeShould be heard by the deaf
Seen by the blind
Those who are too frightened to lose, soThis is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or rightWhat do you feel? How would you say
To the men that sit at the top?
That you don't give a damn
But you still need your land, soThis is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or rightThis is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or rightSome don't have time to see man and his wrongs
Others just expect to lose
If you don't have the need to take hold of yourself
How can you expect to choose? SoThis is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or rightSo this is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or rightSo this is a letter
Letter
