

Well Tread Roads

[Andrew Maxwell Morris](#)

In my life, Iâ€™ve seen many an answer
In my days, Iâ€™ve crossed many a stone.
In my dreams, Iâ€™ve seen many a dancer
Iâ€™ve seen many a hope, in a hopeless time.

Cause I donâ€™t wanna go
Where the people want me to go
I donâ€™t wanna tread on these well tread roads
I donâ€™t wanna speak, a language they all speak
Cause I have a mind of my own
Of my own.

In my mind, Iâ€™m always a thinking man
Too much to say, too many to please
When Iâ€™m on my own, when I was a little boy
I had nothing to lose
When nothing was real.

Cause I donâ€™t wanna go
Where the people want me to go
I donâ€™t wanna tread on these well tread roads
I donâ€™t wanna speak, a language they all speak
Cause I have a mind of my own
Of my own.
