Always Getting Over You

American Pie Soundtrack

Was it not enough stimulation?
Hit by a brick the other day
Just when I thought I'm okay
Didn't like my conversation?
I can't come up with something new
It doesn't really matter what I do
So here's my observation
You could never see it through my eyes
And I'm too tired to try
So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you
Was it too much aggravation?
You're telling me the way but I won't see
Then I change my mind, you disagree
I used to be your inspiration
You chase, I run, you disappear
I know it's never over
So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you
Was it not enough stimulation
Hit by a brick the other day
Just when I though that I'm okay
Didn't like my conversation?
I can't come up with something new
It doesn't really matter what I do
So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you
Don't lie and say you're over me
