

# Always Getting Over You

## American Pie Soundtrack

Was it not enough stimulation?  
Hit by a brick the other day  
Just when I thought I'm okay  
Didn't like my conversation?  
I can't come up with something new  
It doesn't really matter what I do  
So here's my observation  
You could never see it through my eyes  
And I'm too tired to try  
So don't call and say you're coming back for me  
It don't mean nothing, I'm always getting over you  
And don't lie and say that you're over me  
It don't mean nothing, I'm always getting over you  
Was it too much aggravation?  
You're telling me the way but I won't see  
Then I change my mind, you disagree  
I used to be your inspiration  
You chase, I run, you disappear  
I know it's never over  
So don't call and say you're coming back for me  
It don't mean nothing, I'm always getting over you  
And don't lie and say that you're over me  
It don't mean nothing, I'm always getting over you  
Was it not enough stimulation  
Hit by a brick the other day  
Just when I though that I'm okay  
Didn't like my conversation?  
I can't come up with something new  
It doesn't really matter what I do  
So don't call and say you're coming back for me  
It don't mean nothing, I'm always getting over you  
And don't lie and say that you're over me  
It don't mean nothing, I'm always getting over you  
Don't lie and say you're over me
