

# Fallen Star

## Kamelot

You are my reason to stay  
Even if daylightâ€™s a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Sometimes the weight of the worldâ€™s  
Coming over me  
A feeling I canâ€™t forget  
Sometimes I find myself caught in a storm  
And my futureâ€™s a nightmare away  
When Iâ€™m dreaming

Sometimes I fear  
I am losing your sympathies  
A liar demands respect  
Sometimes I feel I am losing control  
And feed on the absence of love

Walking this world like animals  
And into the light weâ€™re fading

You are my reason to stay  
Even if daylightâ€™s a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Sometimes Iâ€™m lost in the silence of empathy  
A moment I canâ€™t reflect  
Sometimes I feel like Iâ€™m losing control  
And feed on the essence of hate

Walking this world like animals  
And into the dark weâ€™re wading

You are my reason to stay  
Even if daylightâ€™s a lifetime away

May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Somewhere in time  
A story seldom told  
Somewhere in history  
Our destiny beholdâ€™

In the dead of the night Iâ€™m just a corpse  
Awoken the enemy sleeping inside  
In the eye of the storm weâ€™re just the same

'cause you are my reason to stay  
Even if daylightâ€™s a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven  
My song for the lost  
My song for the children unforgiven
