Dirty Games

Hitarda

Boo-boo-boom
Take me to the moon
Ro-ro-rock
You're like a drug
Ki-ki-kiss easy like a breeze
Love...love...love***
Ok...Do you wanna play?
Do you wanna play this dirty game?
All right...It's gonna be tonight
Turn off all the lights... My hands are tied
***
Ooo...Ooo...It's so exciting
Ooo...Ooo...When you're beside me
Ooo...Ooo...Show me your love
You turn me on***
Boo-boo-boom
Take me to the moon
Ro-ro-rock
You're like a drug
Ki-ki-kiss easy like a breeze
Love...love...loveBoo-boo-boom
Take me to the moon
Ro-ro-rock
You're like a drug
Ki-ki-kiss easy like a breeze
Love...love...love***Let's fight
Why are you so kind?
I want you to be rude
I'm not your bride
That's right
Wanting you tonight
I'm gonna count to three and free your mind***
Ooo...Ooo...It's so exciting
Ooo...Ooo...When you're beside me
Ooo...Ooo...Show me your love
You turn me on***
Boo-boo-boom
Take me to the moon
Ro-ro-rock

You're like a drug
Ki-ki-kiss easy like a breeze
Love...love...loveBoo-boo-boom
Take me to the moon
Ro-ro-rock
You're like a drug
Ki-ki-kiss easy like a breeze
Love...love...love
