Would You Mind?

Kevin Gates

Pussy good
Soaking wet, she say if I give her dick away she'll be so upset
Argumentative but not with me, it seems I stroke her best
4th quarter pressure tongue kissin while I stroke her breasts
Lick her nipples, spread her pussy lips
Slipping off her panties rubbin on her clit
Legs open suckin on her clit
Situation in the naked never get enough of this..
[Chorus:]Would you mind (4x)
I'll be your soldier I can stroke you in slow motion for a really long time, time, time
After you bend over imma grip your waist and shoulders, kiss and hold you for a while, a while (3x)
When your legs around me I get high and I don't wanna come down
Some might say I'm disrespectful, I regret it in not asking would you mind (4x) if I pull over and I fuck you in the bathroom stall?
Would you mind (4x) if I pull over and I fuck you in the bathroom stall for a while, a while?
[Verse 2:]
Dedication, I'm dedicated
lean with the weed this is we Heavily sedated
Rythmic patterns seem to scatter, you my meditation
Ill, the way I feel when you not here, you my medication
T-shirt, clothes , addiction got you ?
Clothes on the floor by the door, no joking
Body paint under fluorescent lights, glow in the dark
And love out the tub with the way you bend over and arch
Pussy in my ? Then reverse, throw it in park
Sexin in the bathroom on a jet, we closer to God
[Chorus:]Would you mind (4x)
I'll be your soldier I can stroke you in slow motion for a really long time, time, time
After you bend over imma grip your waist and shoulders, kiss and hold you for a while, a while (3x)
When your legs around me I get high and I don't wanna come down
Some might say I'm disrespectful, I regret it in not asking would you mind (4x) if I pull over and I fuck you in the bathroom stall?
Would you mind (4x) if I pull over and I fuck you in the bathroom stall for a while, a while?
