Devoted

Kristy Lee Cook

Devoted
Consumed by your love
Devoted
A fool for your touch
I'm losing control of my heart and my soul
And it scares me, and it thrills me to knowI surrender, with every kiss
I can't remember, ever feeling like this
I don't have to be strong; I don't need to be free
I just want you, and I need you, here with me
I'm devotedAll my senses are defenseless,
My desire is relentless
Is it passion or obsession?
Baby, you make me feel, so devotedWhoooooah Ooooh, YeahYou're the beat of my heart,
You're the air that I breathe,
You complete me, make it easy, to be, devoted!Helplessly, hopelessly, endlessly, openly, I'm so devoted
(Helplessly, hopelessly, endlessly, openly)
A fool for your touch.
(Helplessly, hopelessly, endlessly, openly)
Devoted
(Helplessly, hopelessly, endlessly, openly)
I'm so devoted
(Helplessly, hopelessly, endlessly, openly)
A fool for your touch
(background: helplessly, hopelessly, endlessly, openly)
Devoted... Yeah
(Helplessly, hopelessly, endlessly, openly)
(Helplessly, hopelessly, endlessly, openly)
I'm so devoted
