

# Blush (Duncan Murray Remix)

## Wolf Alice

Curse the things that made me sad for so long  
Yeah it hurts to think that they can still go on  
I'm happy now  
Are you happy now? Spoke out the things that you've worked out to be wrong  
You got two hands to take all you can, but don't take too long  
To be happy somehow  
Are you happy now? Figured out I'm good  
Turn me down like I knew I should  
Punch drunk, dumb struck, pot luck happy happy But don't chicken out, it's all good  
You're allowed to be what you could Punch drunk, dumb struck, pot luck happy happy  
Punch drunk, dumb struck, pot luck happy happy  
Punch drunk, dumb struck, pot luck happy happy Figured out I'm good  
Turn me down like I knew I should  
Happy now Punch drunk, dumb struck, pot luck happy happy Don't chicken out, it's all good  
You're allowed to be what you could  
I feel good  
I feel good  
I feel good  
I feel good Curse the things that made me sad for so long  
Yeah it hurts to think that they can still go on  
I'm happy now  
Are you happy now?
