Go Getta

Tom G

You know we trap all day, we play all night
This is the life of a, the life of a, go getta, go getta, go getta
You in da club you see a bad bitch, point her out
Yeah, you're damn right I'ma, you're damn right I'ma
Go getta, go getta, go gettaIn the immediate state they callin' me Will Smith
Gotta thing on ma side you can call dat Jada
Them boys talkin' down yeah, we call dem hatas
I'm ballin' right now so we'll get back to dat laterI'll be the first to admit am such a alcoholic
Only blow dat good shit yeah, dat whatchamacallit
Catch me posted on da block, in sumthin' exotic
'07 yeah, da same color HypnotiqOn the outside lookin' and I want in
My homie did the same thang and he got 10
Just took a loss, still tryin' to win
And you tryin' to get back so what you tryin' to spend?You know we trap all day, we play all night
This is the life of a, the life of a, go getta, go getta, go getta
You in da club you see a bad bitch, point her out
Yeah, you're damn right I'ma, you're damn right I'ma
Go getta, go getta, go gettaWe live life on da edge like there's no tomorrow
They grind hard like there's no today
They do the same shit like it's yesterday
The game never stop, so who's next to play?Against all odds you can place your bets
Yeah, I'm just gettin' started, so I ain't done yet
Risk it all you can lose your life
What else can I say, dats a hell of a priceI don't under 'cause I over stand
No time for mistakes so I'm overplayin'
I'm in da club like what? Four five wit me
And I'ma stay thuggin' till da feds come get meYou know we trap all day, we play all night
This is the life of a, the life of a, go getta, go getta, go getta
You in da club you see a bad bitch, point her out
Yeah, you're damn right I'ma, you're damn right I'ma
Go getta, go getta, go gettaHey, hey this is how we play
When we roll up to da club, high sittin' on 20 treys
Hop out like we fabulous, top models grabbin' us
They love dem go gettas, only in AmericaPut D on chicks like Wallace
Turn 'em, throwing down they can have all dis
Can't deny it when you see da wheels spinnin' boy
Kells out da coupe in Miami white linenChips big spendin'
Walk up out da club with a shit loada women
Soon as I see one I like I'ma get it, I'ma get it

Ooh, I'ma get it, 'cause Ima go gettaYou know we trap all day, we play all night
This is the life of a, the life of a, go getta, go getta, go getta
You in da club you see a bad bitch, point her out
Yeah, you're damn right I'ma, you're damn right I'ma
Go getta, go getta, go getta
