Spend the Top with Me

Evidence One

Since the first day, we're together,
You are the answer to my every prayer
Wanna share my fears forever
To make you be the one, who's always thereCome on - paradise is on its way
No more - lonely nights[CHORUS:]
Hold on to what once missin'
Though I can give no guarantee
I know what we both believe in
Come on Spend The Top With MeFor first time in my life
I found what I was looking for
I see the future when I look in your eyes
Don't wanna lose this feeling no moreWelcome - heaven is on the rise
Hard times - forever gone, forever gone[CHORUS]I'll be there baby, hold on This I swear, Forever one[CHORUS x2]Come on Spend The Top With Me
Come on Spend The Top With Me
