Don't Be Angry

Dale Watson

[Chorus]
Don't be angry with me darling if I fail to understand
All your little whims and wishes all the time
Just remember that I'm kind of dumb I guess like any foolish man
And my head stays sort of foggy 'cause your mineRemember the first time that I flirted with you, girl
And I jokingly said come and be my bride
Now time has turned the pages, it's the sweetest joke on earth
To wake up every morning by your side[Chorus]Maybe someday you're gonna hurt me, I've been hurt in love before
Only God can know and time alone will tell
But in the mean time I'm gonna love you with all my heart and soul
And pray God to let it last if it's his will
