

Don't Be Angry

Dale Watson

[Chorus]

Don't be angry with me darling if I fail to understand

 All your little whims and wishes all the time

 Just remember that I'm kind of dumb I guess like any foolish man

And my head stays sort of foggy 'cause your mineRemember the first time that I flirted with you, girl

 And I jokingly said come and be my bride

 Now time has turned the pages, it's the sweetest joke on earth

To wake up every morning by your side[Chorus]Maybe someday you're gonna hurt me, I've been hurt in love
 before

 Only God can know and time alone will tell

 But in the mean time I'm gonna love you with all my heart and soul

 And pray God to let it last if it's his will
