Please Come Home for Christmas

Brave Combo

Bells will be ringing
The glad, glad news
Oh, what a Christmas
To have the bluesMy baby's gone
I have no friends
To wish me greetings
Once againChoirs will be singing
'Silent Night'
Christmas carols
By candlelightPlease come home for Christmas
Please come home for Christmas
If not for Christmas
Then by New Year's NightFriends and relations
Send salutations
Sure as the stars
Shine up aboveFor this is Christmas
Christmas, my dear
The time of year
To spend with the one you loveThen won't you please tell me
You'll never more roam
Christmas and New Year's
Will find you homeThere'll be no more sorrow
No grief or pain
Because it's Christmas
Christmas once againFriends and relations
Send salutations
Sure as the stars
Shine up aboveFor this is Christmas
Christmas, my dear
The time of year
To spend with the one you loveThen won't you please tell me
You'll never more roam
Christmas and New Year's
Will find you homeThere'll be no more sorrow
No grief or pain
Because it's Merry
Merry Christmas once again
