

# The Fall Song

## Bridgit Mendler

Set your clock back  
Looking at the map  
Wondering where you'll be at  
Cause its so bad when you're not around  
Your never around  
It used to be you and me  
Holding hands  
Smoldering  
Kicking up leaves  
Talking about getting older  
But now.  
You're not around..  
There'll never be a right or reason  
For when it rolls around to the season  
When all the leaves start the turning  
And you start to burn  
Again in my brain  
I'm... falling for you.  
I'm falling  
I... cant forget you  
Now it's cold and  
All of the leaves on all of the trees  
Are falling with me down to the ground and  
I'm... falling for you  
You're like a good book snuggled up on the sofa  
When its raining outside  
But I'm warm cause I feel you around  
But you're so out of town  
I kinda wanna call  
But I bet that you're busy  
With that fancy new job  
And the fall wont affect you like how..  
  
It makes me feel now  
October's so overwhelming  
And all of my friends, they tell me  
November it should get better  
But I still see you all over the place  
I'm... falling for you.

I'm falling  
I... cant forget you  
Now it's cold and  
All of the leaves on all of the trees  
Are falling with me down to the ground and  
I'm... falling...  
I'm... falling...  
Oh you are  
Like sunshine  
With the chance of rain  
I love the cool  
Crisp air and  
I don't care  
If you're near  
Cause I feel you like you're here.  
You're everywhere.  
I'm... falling for you.  
I'm falling  
I... cant forget you  
Now it's cold and  
All of the leaves on all of the trees  
Are falling with me down to the ground and  
I'm... falling...  
I'm... falling...  
I'm... falling for... you.
