# Lost Without You

## Hanson

Well I woke up this morning
And the night had been so long
Seems that I had my mind on you
Well the day, it has begun, and I can't get minute,
Can't get a minute without you
You're always on my mind, you're always in my head
And I can't live, I can't live another day without you
"Cause when the minutes seem like hours and the hours seem like days
Then a week goes by you know it takes my breath away
All the minutes in the world could never take your place
There's one-thousand--four-hundred-forty hours in my day
I've been trying to call you all day, 'cause I got so many things

That I want to say
I'm going crazy, 'cause all my thoughts are filled with you
There's got to be some way I can get through to you
ohh
(Repeat Chorus)
I can't keep myself from thinking about you
It's because I love you, and I know that it's true, whoooa
I'll call it desperation, can't you see it in my eyes?
That want to be with you until the sun falls from the sky
(Repeat Chorus)
