

Wanna Lose You

Borgeous

And every time I don't reply back
Well I'm just getting my mind back
So I can let you come right back
So give me my mind back
Give me my mind back
Give me my mind back I can let you come right back
right back
right back
Yeah, yeahhh Don't wanna lose you
wanna lose you
wanna lose you, tonight
Yeahhh
Don't wanna lose tonight
Don't wanna lose tonight
Don't wanna lose tonight
