Changed My Mind

Blacklite District

Hello
I just called to say I'm sorry
Sorry for givin' up
I still think about you more
Than you'll ever know
And I hope that you're doing ok
How have you been?
How's the old hometown
And all the friends we used to talk bad about
I guess I can't let go
How have you been?
Did you ever find the love
That you lost the day that I lost mine
Oh by the way
Do you still think about me?
Oh Oh
Do you still think about me?
Oh Oh
I got your number from a friend
Who said you don't come around anymore
And no, this is not a breakdown
I just called to say hello
And I know you gotta go right now
But maybe I changed my mind
How have you been?
How's the old hometown
And all the friends we used to talk bad about
I guess I can't let go
How have you been?
Did you ever find the love
That you lost the day that I lost mine
Oh by the way
Do you still think about me?

Oh Oh
Do you still think about me?
Oh Oh
I know it's late at night
(I always call you late at night)

And I've never found a time more right
(This time I know I'll get it right)
And if you go outside, I'll take you away
And I'll never let you go again
How have you been?
How have you been?
Oh Oh
How have you been?
How's the old hometown
And all the friends we used to talk bad about
I guess I can't let go
How have you been?
Did you ever find the love that you lost the day that I lost mine
Oh by the way
Do you still think about me?
Oh Oh
Do you still think about me?
Oh Oh
Do you still think about me?
(How have you been?)
Oh Oh
Do you still think about me?
(How have you been?)
Oh Oh
Oh Oh!
