Cozza Frenzy

Bassnectar

Automatic when we
Splatter data in the
20 double bins up front
Cozza frenzy
Automatic when we
Splatter data deep
In the 20-20
Double-double
Bins up front
Shoot beams lightening
Lazer blinding
Tazer mic fiend
Melting in rhyme schemes
Spitting hype things
As I ignite things
Tryna do the right thing
Phaser tightening

When we bend the
Waves in a frenzy
All night day dreams
Bangin' on 18's
Sneak a poem in dirty zones
Super soaked in honeycomb
Hologram or telephone
Coming out your speaker cones
Automatic when we
Splatter data in the
20 double bins up front
Cozza frenzy
Automatic when we
Splatter data deep
In the 20-20
Double-double
Bins up front
