Undone (Time Tools Radio Mix)

Patrick Nuo

Another day, another night
Another word, another fight
That Im sorry for
Another try, another way
Another line, now you say
You cant stand it no moreIts easy to hurt and hard to heal
I wish you would try to make me feel
That you still care, you still careHow can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
Youre still the spell Im under
Do you still care?Another chance to be wrong
Another promise to hold on
Regrets and sorrows
Maybe love, maybe lust
Do you believe, do you trust
In me and tomorrowIts easy to hurt and hard to heal
I wish you would try to make me feel
That you still care, you still careHow can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
Youre still the spell Im under
Do you still care?Do you still care about us
What can I do
To bring our good times back to you
I wish that I could make it just undoneHow can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
Youre still the spell Im under
Do you still care?I wish you would try to make me feel

That you still care
