

# Taken In

## Engine Down

Taken in, taken in again  
    Wrapped around the finger of some fair weather friend  
Caught up in the promises, left out in the endNo pride, taken for a ride  
    You say I'm the only one when I look in your eyes  
I want to believe you but you know how to lieAnd if you say you understand, I don't believe it  
    And when you reach out for my hand, I don't believe it  
    And if you say you take the blame, I don't believe it  
And if you say that nothing's changed, I don't believe it, don't believe itTaken in, taken in again  
    Someone saw me coming, a fool without a friend  
There's one born every minute and you're looking at himAnd if you say you want me near, I don't believe it  
    And when you're holding back the tears, I don't believe it  
    And when you swear that you are mine, I don't believe it  
And it's your heart that's on the line, I don't believe it, don't believe itTaken in, taken in again  
    Wrapped around the finger of some fair-weather friend  
Caught up in the promises, left out in the endNo pride, taken for a ride  
    You say I'm the only one when I look in your eyes  
I'd love to believe you but you know how to lieYou say you want me near, I don't believe it  
    And when you're holding back the tears, I don't believe it  
Oh, there's one born every minute, you're looking at himTaken in, taken in again  
    Someone saw me coming, a fool without a friend  
I want to believe you, oohWhen you say you understand, when you reach out for my hand  
    Oh, I wish I could believe you, taken in, taken in again
