

# When It Was Me

Paula DeAnda

Advisory - the following lyrics contain explicit language:

Ooh, no  
Yeah, yeah She's got green eyes and she's 5'5"  
Long brown hair all down her back  
Cadillac truck, so the hell what  
What's so special about that She used to model, she's done some acting  
So she weighs a buck of 5  
And I guess she's alright  
If perfection is what you like Ooh, ooh, and I'm not jealous, no I'm not  
Ooh, ooh, I just want everything she's got  
Ooh, ooh, you look at her so amazed  
I remember way back when you used to look at me that way Tell me what makes her so much better than me  
What makes her just everything I can never be  
What makes her your every dream and fantasy  
Because I can't remember when it was me And now you don't feel the same  
I remember you would shiver every time I said your name  
You said nothing felt as good as when you gaze into my eyes  
Now you don't care I'm alive how did we let the fire die Ooh, ooh, and I'm not jealous, no I'm not  
Ooh, ooh, I just want everything she's got  
Ooh, ooh, you look at her so amazed  
I remember way back when you used to look at me that way What makes her so much better than me  
What makes her just everything I can never be  
What makes her your every dream and fantasy  
Because I can't remember when it was me That made you smile, that made you laugh  
Me that made you happier than you have ever been, oh me  
That was your world, your perfect girl  
Nothing about me has changed that's why I'm here wondering What makes her so much better than me  
What makes her just everything I can never be  
What makes her your every dream and fantasy  
Because I can't remember when it was What makes her so much better than me  
What makes her just everything I can never be  
What makes her your every dream and fantasy  
Because I can't remember when it was me When it was me

When it was me  
When it was me
